ACTION DAY

ACTION DAY 2020

Every April we come together to do some good. It doesn't matter whether you can spare an hour or a day, every action (big or small) will make a difference.

If you're looking to make a positive impact and do some good on (or around) Saturday 4 April 2020, we're 100% behind you. To help you on your way to creating a success story, we've put together several resources, all in this pack!

So whether you're interested in helping the homeless, voicing your environmental concerns or supporting the LGBTQ+ community, this is your chance to join our national movement!

Tell us what you're planning

We want to know what you're getting up to this April in support of Action Day – so we've created a new Impact Map for 2020! This will keep track of all those good deeds that people commit to doing. Don't forget to add your contribution, and check out what everyone else is doing across the country!

Want to join forces with others?

Every year, our Regional Youth Boards and Social Action Leaders put exciting plans into place, and if you're not sure where to start, they're always looking for extra support. Take a look at the 2020 Impact Map to see what they're up to, and find the contact for the relevant Grad Lead if you're interested in getting involved.

Good luck and we can't wait to see what you accomplish!
